

DECADE CAPTAINS

The following people have agreed to serve as Decade Captains for the 100th Year Anniversary. They will try to ensure that as many Alumni from their respective decades are notified about the reunion, help with the facilitation of reconnecting alumni of their decades, and they may also arrange reunions and events for Alumni to attend during the months leading up to the Event. Mostly they will help keep Alumni informed and excited about the Celebration during Labor Day Weekend.

Pete Anderson, Lincoln,
Staff, 50's,
