

Package Policy

Please remember that camp is a gift unto itself. Care packages and gift packages are not allowed at camp.

Letters are the best way to show your camper you are thinking of them. Magazines, books, and forgotten items listed on the Camp Packing List (Pages 22-23 of the Parent Handbook) can be sent to your camper.

All packages larger than a flat envelope will be opened by the Camp Director or their appointed staff. Care packages, and all items not listed on the Camp Packing

List will be donated to a local charity.

Multiple items sent to be shared with friends/cabinmates are not allowed even if listed on the packing list.

You may read more regarding our Package Policy on Page 4 of the Parent Handbook.

Please let friends and family know of this policy.

Thank You!
