

CAMPERSHIP PROGRAM

MISSION

To expand the opportunity for a broader diversity and spectrum of children of color to enjoy and benefit from the camping experience at Camp Lincoln and Camp Lake Hubert.

We are pleased to be able to offer a number of partial camperships and an occasional full campership as one option to lowering the cost of camp tuition. However, the fund is limited and primary consideration must be made based on financial need.

HISTORY

The Campership Fund was started years ago in tribute to our former directors. Each year, alumni and camp friends contribute to the fund...which supports a growing number of campers. The Campership Committee allocates the camperships and the American Camp Association administers the funds and as a 501(c) (3) organization, provides tax advantages to scholarship donors.

ELIGIBILITY

The Campership Committee works closely with each family, pursuing possible resources to cover costs beyond what the family can contribute. Eligibility for campership is determined by several factors: family situation; financial need; ability to contribute; other financial options; impact of the experience and references.

We encourage all campership applicants to search out other options as well as this opportunity. Often relatives are a good source of sponsorship (i.e.: many of our campers have their tuition paid in full by grandparents, aunts/uncles or sponsors).

APPLICATION DEADLINE

Please send your Campership requests to the Camp Lincoln and Camp Lake Hubert Campership Committee before April 1st. We encourage applicants to submit requests early.

NOTIFICATION

After the Campership Committee meets, recipients will be notified by mail in regards to their application.

TO APPLY

A Scholarship Application Form is available through the camp office, or on-line, which provides an outline and space for completing information that will be helpful to the Campership Committee.

In addition to completing the Scholarship Application Form, references and/or recommendations from camp alumni, school personnel, social workers or clergy are of benefit in the process.

If you have any question about this process, please let us know.

PAYMENT PLAN

Making regular payments toward your child's camp tuition is another option for managing the costs of camp.

Upon registration, please indicate that you would like to make monthly or regular payments, and our accounting office will be glad to help facilitate a payment plan to suit your needs.
