

**Important**  
**Information for**  
**New Camper Families**

Campers who are new to our camp must have a New Camper Reference Form submitted, reviewed and approved by a Camp Director. Please do not book your airlines reservations until you have received confirmation that the New Camper Form has been received and accepted. Unless the form has been confirmed as being accepted and your camper's enrollment being approved, the enrollment has not been finalized and could be cancelled.

If you have any questions about the New Camper Reference Form, please call camp at 800-242-1909 or 952-922-2545.
