

Welcome to CampInTouch!

We are thrilled to introduce you to **CampMinder**, our web-based camp management and communication system. This user friendly system will allow you to access and complete some of the camper forms directly from their website. Whether you are a new or returning family, **you already have an account created in our system.**

You can access your account any time by going to our website and clicking on the Parents tab at the top of the page and then 'Parent Login'.

By clicking on “Parent Login”, you will access to your “CampInTouch” account. This account allows you to fill out online forms, update family contact information, list cabinmate and bedding requests.

- Step 1: Visit www.lincoln-lakehubert.com using Chrome or Firefox browsers. CampInTouch will not work appropriately in other browsers.
- Step 2: Click on Parent Login
- Step 3: Enter the email address we have on file for you (which is the same email address you used when registering your child for Camp) and password.
